A video system for measuring motion in contracting heart cells

[Boy Stegeman, K S](#) [Lieberman, S](#) ... [IEEE Transactions on](#), 1988 - [IEEE Xplore](#)

... The timing logic circuit receives input from the left and right video comparators and from the window position and duration circuits (Figs. 5 and 6). The output of the timing logic circuit gates the video comparator output to the first stage of the sample and hold circuit. ...
